

The drawing shows a mechanical part with two views. The front view (top) shows a vertical shaft with a central hole of diameter 8^{+2}_{-1} . The shaft has a total length of 22^{+3}_{-1} . The top and bottom flanges have a thickness of 2^{+1}_{-1} and a width of 15^{+2}_{-1} . The flanges are connected to the shaft by a fillet with a radius of 14^{+2}_{-1} . The fillet has a thickness of 1^{+1}_{-1} and a fillet radius of $40^{\circ \pm 2^{\circ}}$. The shaft has a diameter of 22^{+3}_{-1} at the bottom. The cross-section view (bottom) shows the internal structure of the part. It features a central hole of diameter 8^{+2}_{-1} and a fillet with a radius of 14^{+2}_{-1} . The fillet has a thickness of 1^{+1}_{-1} and a fillet radius of $40^{\circ \pm 2^{\circ}}$. The shaft has a diameter of 22^{+3}_{-1} at the bottom. The cross-section view is labeled 'a-a'.

- Условные обозначения:
 - отверстие под постоянный болт
