 Technical drawing of a rectangular plate. The overall width is 5620, with a central section of 5540 and side margins of 40. The overall height is 135, with a central section of 100 and top/bottom margins of 17.5. There are four mounting holes, each with a diameter of 19. The holes are arranged in two rows of two. The top row of holes is 45 units from the top edge, and the bottom row is 45 units from the bottom edge. The distance between the two rows of holes is 50 units. The distance between the two holes in each row is 540 units. The distance from the side edges to the holes is 40 units. A note indicates '2 отв. Ø 19' pointing to one of the holes. The drawing includes dashed lines for the internal section and solid lines for the overall dimensions.
